REPORTS TO:

Supervisor, Research, Accountability and Evaluation

JOB GOAL

Support the district's efforts in the development of systems and processes that support and improve performance and accountability, relevant to local, state and federal regulations, school board policies and collective bargaining agreements.

SUPERVISES:

N/A

PERFORMANCE RESPONSIBILITIES:

- * (1) Train and supervise additional data management /analytic staff/ assessment staff on analytic procedures and data management, teacher evaluation and state accountability.
- * (2) Interpret student and teacher accountability data, provide disaggregated data and provide training in using data for instructional decision-making and teacher accountability.
- * (3) Assist in the development and implementation of the Instructional Improvement System in compliance with the Florida statute requirements.
- * (4) Consult with customers to define and implement enhancements to existing systems to satisfy changing requirements.
- * (5) Evaluate Department of Education (DOE) requirement changes to determine impact on existing systems.
- * (6) Work with selected software vendors in the development of systems or changes to systems to meet the needs of customers.
- * (7) Ensure that all systems development adheres to installation standards.

SYSTEMS ANALYST (Continued)

- * (8) Coordinate with operations and other network personnel on all new systems and changes to existing production applications.
- * (9) Maintain and update skills to keep abreast of changes in DOE requirements.
- * (10) Provide written and oral reports of activities to management and customers.
- * (11) Communicate effectively with staff, customers and vendors.
- * (12) Keep supervisor informed of potential problems or unusual events.
- * (13) Respond to inquiries and concerns in a timely manner.
- * (14) Demonstrate initiative in the performance of assigned responsibilities.
- * (15) Provide for a safe and secure workplace.
- * (16) Model and maintain high ethical standards.
- * (17) Follow attendance, punctuality and proper dress rules.
- * (18) Maintain confidentiality regarding school matters.
- * (19) Participate in workshops and training sessions as required.
- * (20) Prepare all required reports and maintain all appropriate records.
- * (21) Follow all School Board policies, rules and regulations.
- * (22) Exhibit interpersonal skills to work as an effective team member.
- * (23) Demonstrate support for the School District and its goals and priorities.
- * (24) Every Sarasota County Schools employee has emergency response responsibilities, though not every position will require routine assignments during an emergency event. All employees are subject to recall around the clock for emergency response operations, which may require irregular work hours, work at locations other than the normal work location, and may include duties other than those specified in the employee's official job description. Assignments in support of emergency operations may be extensive in nature, with little advance notice, and may require employees to relocate to emergency sites with physically and operationally challenging conditions.
- (25) Perform other incidental tasks consistent with the goals and objectives of this position.

PHYSICAL REQUIREMENTS:

Light Work: Exerting up to 20 pounds of force occasionally and/or up to 10 pounds of force as frequently as needed to move objects.

TERMS OF EMPLOYMENT:

Salary and benefits shall be paid consistent with the District's approved compensation plan.
Length of the work year and hours of employment shall be those established by the District.

EVALUATION:

Performance of this job will be evaluated in accordance with provisions of the Board's policy on evaluation of personnel.
